Brief history of the College

The successful establishment of Silda Chandrasekhar College on 9th Nov, 1971 through the significant contribution and kind cooperation of the community people is highly obliged and appreciated. Amongst them the Chowdhury family of Sukjora village had the significant contribution in all aspects including materialistic to financial support. Indeed, we should devote our integral greetings, kind regards and gratefulness for their enormous and selfless contribution for the organization. For the establishment of the institution, Late Chandrasekhar Chowdhury (1900 – 1960) and his family had devoted remarkable effort and financial contribution in honor of his father. Besides, the laborious contribution of the local people for the growth of the great institution is highly appreciated.

Vice-Principal's Desk

It is my immense pleasure to welcome all of you on behalf of Silda Chandrasekhar College. A new academic year brings fresh young learners and indeed, a hearty welcome to all students being admitted to our admired institution. The institution was NAAC accredited on 31st March 2007 and is now ready to re-accredit. Indeed, it is one of the leading educational institutions in Jhargram district. Our utmost effort to deliver adequate academic standards and to impart higher education of superior quality. Besides, the enhanced educational opportunity for women students from different parts of the society is our additional vision. The institution has a BCA department with superior infrastructure for advanced learning. In particular, our institution has a lot to put forward and of course, the students can feel one of the best experiences of their lives at the end of three years of study from our college.

Dr. Sujata Tewari
Vice-Principal
Silda Chandrasekhar College

About the College

Silda Chandrasekhar College (Estd. 9th November 1971) was situated in the tribal area in the western region of Jhargram, nearly thirty kilometers away from Jhargram District Head quarter. Our college is the favorite choice in this region because of its soothing pastoral setting and full greenery campus. Besides, the

college is proud of offering an extensive choice of courses. Initially, the college started its journey with a few general subjects in the field of humanities. Thereafter a steady growth in academic pursuits with the introduction of

several honours subjects have been experienced. The college is affiliated to Vidyasagar University and recognized by the University Grants Commission under section 2(f) and 12(B). This college is now well supported with a comprehensive library with a large number of text books, reference books, journals and magazines. Our college has a spacious and well-decorated seminar room. Additionally, a multi-gym and an attractive play-ground are also there to help the students in their pursuit of all round development. The new building of our college comprises of well decorated and smart classrooms along with subject wise departments for the convenience of the students. Furthermore, the college provides free wireless internet access (Wi-Fi) throughout the campus. The teachers are cordial in their approach to the students. The non-teaching staffs are also very attentive to the needs of the students. Despite the paucity of resources we are confident and resolved to move ahead and improve infrastructural facilities for the better functioning of our institution.

Mission and Vision

Indeed, the logo of the college portrays the mission and vision of the college. The mission of the college is to motivate the institution as a place for advancement of

learning. The college, situated in a backward and rural area of the newly constructed Jhargram district wants to impart and promote higher education to the regional students of this area. The students of this college mostly come from the lower socioeconomic strata of the society. The college has maintained a convenient fees structure to bring them within the folds of higher education. Additionally, attention has been given for conventional as well as job oriented courses present in the curriculum. This college is committed to the mission for providing the students with a knowledge that would enable them with the ability to face real world challenges and become successful individual. The college has a vision to impart and teach students with both moral and ethical education to develop their overall personality. The college ultimately wishes to empower the students with acknowledgement that would build

their all round character and help them fight against the poverty and existing social injustice. In this way, the college wishes to establish itself a center of advancement of learning in each and every aspect.

Aims and Objectives

The main aim of the college is to reach out to the students of this backward and tribal area that comprise of mainly first generation learners. The major challenge of the college is to motivate and orient the students to the learning process. To attain this, the college has taken various objectives as the following

- ✚ To create an atmosphere within the college that makes students feel a part of this institution. For ensuring this, student - teacher interaction takes place on a regular basis where teacher guides and motivates them to continue their studies irrespective of the hurdles they face in their lives.
- ✚ The college is committed to impart knowledge on soft skills along with the regular degree course to make them self sufficient. The college takes initiatives to make the students become self sufficient and independent so that they can fight the poverty and existing social injustice.
- ✚ The college inculcates ethical and moral values through its various activities like the NSS programme to develop the student's personality and build them as a responsible citizen of the country.
- ✚ The college has adopted various innovative methods of teaching that not only enhanced the quality of teaching but also enhance the students to attain higher level of knowledge that is essential for their future.
- ✚ The college educates the students with the values of community and social services that would contribute to construct a healthy, peaceful and harmonious society.

NAD (National Academic Depository) Registration

National Academic Depository (NAD) is a 24X7 online store house of all academic awards viz. certificates, diplomas, degrees, marksheet etc. duly digitised and lodged by academic institutions/boards/eligibility assessment bodies. NAD not only ensures easy access to and retrieval of an academic award but also validates and ensures its authenticity and safe storage. It is mandatory to registrar all students in NAD in the website www.nad.ndml.in to receive their University Certificate/Marksheet etc. Aadhar number and linked mobile number, University registration number are required to register in NAD. The students have to submit the NAD document to the college office for verification. The significant advantages of NAD are:

- Immediate availability of Marksheet/Certificate upon upload by the University
- Online, permanent record of academic awards
- No risk of losing, spoiling, damaging the Marksheet/Certificate. Furthermore, the Marksheet/Certificate can conveniently be accessed anytime and anywhere.

Diploma/Certificate Courses:

1. Diploma in Information Technology Application (DITA) (One year)
2. Fundamentals of Computer and Computer Hardwires (6 months)
3. Communicative and Spoken English (6 months)

Student Support System

Library:

The college library has a rich collection of more than 31000 books including most

recent publications on various subjects, besides, magazines journals and news papers. The ground floor of the library building is decorated with a reading room facility for students as well as teachers. Library cards are issued to students after their admission to the college. Recently our library has been computerized by KOHA Software (library

management software) and all the library operations are being done by this software. Online Public Access Catalogue (OPAC) has been opened through which the students and teachers can conveniently search the books. Additionally, e-books and e-journals are available for the library user under “National Library and Information Services Infrastructure for Scholarly Content (N-List)” Program. Furthermore, several departments maintain separate departmental library. Apart from this, some other services are also going to incorporate in the library for the students and teachers so that our library will become a model library in near future.

Important Rules and Regulations:

- ✚ Show your library card whenever you visit the library.
- ✚ Home issue: 4 books for each student (for 14 days)
- ✚ Return your library books within the due date otherwise fine will be imposed @ Rs.1/- per day.
- ✚ This card is not transferable.
- ✚ Do not bring checked out book inside the library or reading room unless it is for return or reissue.
- ✚ Follow the rules and regulations of the library for better library use.
- ✚ Keep silence within the library.

Students' Common Room:

The college has separate common rooms for boys and girls students decorated with the facilities of various indoor games for recreation of students.

Remedial Coaching Class:

The college takes appropriate steps to upgrade the slow learners by taking extra classes beyond the normal class hours. Teachers are very careful to their students and give special attention to the slow learners. Remedial coaching classes are held in the morning shift.

NSS:

The college has two NSS units. The units provides scope for the student-volunteers to participate in social works as environmental leaning, relief work, gardening, blood donation camp, awareness campaign etc. Student-volunteers organize and participate in various cultural programmes. After the completion of two years Programme, University issues a certificate to the volunteers. Special camps are also organized to conduct various programmes. Students may enroll their names on submission of their applications to the concerned Programme Officers at the beginning of the session. Students will be notified in this respect after the commencement of regular classes.

Computer Literacy Programme:

A computer literacy programme for 1st semester students runs in our college. The college has a computer centre with 70 computers and erudite teachers and trainers. Computer education programme is compulsory for all 1st semester students. Interested students may enroll themselves for this purpose by paying a nominal charge. Corresponding notices will be circulated in college notice board.

Students' Aid Fund:

The college maintains a Students' Aid Fund to render financial help to the needy students of the College. This fund extends financial support to the poor students on the basis of their needs properly recommended by the competent authorities.

Playground for Games and Sports and Multigym:

A rare privilege of the institution is the possession of a playground. The college is well known for its extra-academic activities in the fields of sports and games with the active

cooperation of the Students' Union. The institution organizes inter-class football competitions, annual sports. The students also participate in inter-college football and cricket tournaments held under the auspices of Vidyasagar University. The college encourages students to take part in athletics and games, both in inter and intra college competitions. The college authority extends help to the students' representative for organizing sports and games. The annual sports and competitions in indoor games are held to encourage students to participate in activities outside the classrooms. Awards are given for every event to encourage the students. College has well equipped multigym, treadmill, cycle, etc., facilities where health conscious students and members of the staff can pursue a fitness programme. The multigym remains open on all working days during the college hours. A qualified trainer imparts the students regularly to develop their skills in physical exercise.

Laboratories:

Our science department (Physics, Chemistry, Geography, Computer Science, Anthropology) have spacious and well equipped laboratories to impart young learners satisfactory practical training. We are proud of our computer lab (software and hardware) to cater to a large number of students in BCA.

College Magazine:

The college is publishing an annual magazine with the cooperation of students' union in which students are encouraged to contribute poems, sketches, articles, short stories and essays. It provides an opportunity to showcase their literary talents. Besides, the teachers as well as the staff-members can find for themselves a suitable medium of self-expression in the college magazine. In addition, some of the departments also publish wall magazines.

Seminar Hall:

The college has its own well decorated seminar hall in its new academic building where seminars, academic workshops and other activities are conducted. The hall is equipped with high-end audio and projection accessories. The hall has a capacity of more than two hundred audiences.

Canteen:

The college has provided one canteen inside the premises where the healthy foods and snacks are available for the students, guardians, teachers and staff-members at a reasonable cost.

College Hostels:

At present there are three boys' hostels and one girl hostel for SC, ST students. All our hostel rooms have been provided with tube-lights and fans. They must bring their own bedding and other belongings of use which should be new as far as possible. Filtered drinking water is available in all the hostels.

Hostel Fees:
