12. Significant contributions made by IQAC during the current year(maximum five bullets)

• Introduction of online classes in view of the Pandemic: The college was one of the first colleges to begin taking online classes initially through Zoom and later via Google Meet. We took classes not in any arbitrary manner but according to a prescheduled routine. The HODs were requested to send details of the classes of their respective departments to the IQAC. • The IQAC intervened in curriculum transaction in the Pandemic situation by advising teachers to use modern ICT methods like conducting exams through Google Forms. Also, the Learning Management System of our Aimes Cloud was put to maximum use. Tutorials, study materials, previous years university question papers were all made available to students through cloud. Special workshop organized for all teachers and nonteaching staff on NAAC • Digitalization of classes by successfully getting to allocate ICT enabled classroom to some of the departments. • The IQAC supervised the processing of documents of several teachers under the Career Advancement Scheme (CAS) • The college provided WIFI enabled campus to the students and staff of the college to get internet facility

13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achievements/Outcomes
Making the AIMES Cloud system i.e. digitization of administration, the basis of future governance. Student data, financial data, employee data etc. to be stored in digitized format and institutionalizing a paperless system in the college	We have more or less achieved our target. Almost all the data is now present in digitized format.
Use the Covid 19 scenario to make digital curriculum interactions the order of the day. For example, the options of classes through Google Meet, curriculum delivery through Google Classroom, multiple choice assessments through Google Forms etc. need to be explored.	Here also, we have more or less achieved our target. The teachers regularly took online classes through Google Meet and Zoom following a pre-fixed routine and conducted assessments etc. through online mode.
Organization of seminars in college especially on those areas that are suggested by NAAC. In the Covid-19 scenario where public assembly is not possible, the same can take place in digital platforms like Google Meet and Zoom.	Online Lecture Series were organized by the department of English from 12 June, 2020 to 18 June 2020.
Strengthen the NSS; and in the Covid 19 situation through NSS come to the support of the local community.	The two units of college NSS played a stellar role in the Covid situation. Under the leadership of Dr. Sushanta Dey and Prof. Fatik Chandra Adhikary, Programme Officers, the NSS units and volunteers excelled themselves.
Submission of data to AISHE	Data successfully submitted and certificate received
Encourage Sports and culture	The institution has celebrated Freshers' Welcome, as a mark of brotherhood. The institution has also celebrated Netaji birthday and Republic day Annual Sports has been postponed for the session owing to Pandemic situation
Preparation of academic calendar	Academic calendar for the session 2019-'20 has been prepared according to guideline of VU has been uploaded

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

We follow the syllabus and academic calendar as provided by our affiliating University(Vidyasagar University). The class routine formed by routine committee is strictly followed. Both academic calendar and class routine is displayed in the website. Distribution of syllabus topics among the faculties are done as per teaching interest and proficiency of each faculty. Different methods of curriculum delivery are followed in class room by different faculties like Chalk and talk, white marker board, ICT enabled method. The detailed course structure is also displayed in the website. The prime change that characterizes the present academic session is the introduction of the Choice Based Credit System. It involves changes in syllabus, components of marks distribution (marks for attendance, tutorials and internal assignments/assessments) and examination pattern. Each department was also given separate grants to ensure that books as per CBCS syllabus were available in the College and Seminar Libraries. During the academic session 2019-2020, two parallel systems -one semester and one annual examination system - were running in the College. Orientation programme has been arranged with the newly admitted 1st semester students(B.A.Honours and B.Sc general). The departments monitor progress of the students through presentations in class and performance in the internal examinations. Class attendance are maintained and percentage of attendance are reflected as marks in their end of semester examination. Internal assessment is arranged following the schedule of academic calendar. Wherever applicable field visit is done.

The Governing Body is the highest body of the college. It constitutes the different committees like Finance Committee, Purchase Committee, and Building Committee etc. by inducting some experienced members of the Governing Body, senior faculty members including the non-teaching staff and students' representatives of the college. The proposals of different departments for their respective requirements are submitted to the Principal. These are subsequently placed in the GB meeting while finalizing the yearly Budget proposal of the college with due approval from the Government Body. For any kind of purchase like laboratory equipments, library books, computers, photocopier etc. above the amount of Rs. 100000/- (Rupees one lakh), Principal invites quotations through the college website. In case of expenditure of any Government grant (more than Rs 5.00 Lakh) Govt. rules are followed by inviting e-tenders with subsequent submission of utilization certificates. A minimum of 03 quotations are required for selection of the lowest one. All the resolutions of the Finance Committee and Purchase Committee are approved by the college GB. For annual maintenance contracts of the equipments, generator, aqua guards, photocopier and computers, Principal invites quotations in similar way with subsequent selection of the lowest ones in the Purchase Committee meeting. The playground and the gymnasium of the college are regularly monitored by the Physical Education Department. Facilities like sports, culture, health, canteen, etc are looked after by the respective subcommittees. The software for managing library books and records is regularly maintained by the librarian. The library subcommittee meets regularly to discuss the improvement of facilities provided by the library. Cleaning and sanitation of the campus, departmental rooms, and classrooms are done by sweepers and cleaners every day before the opening of the college.

The college authority encourages decentralization of activities at various levels. Plan of academic development and infrastructural development for the college are discussed in the Teacher`s Council. Various sub - committees constituted for the purpose of facilitating academic and infrastructural developments and IQAC. The plan of development thus prepared are placed in IQAC and finally to the Governing Body, the highest statutory body of the college. Representatives from students, teachers, support staff, government and affiliating university etc. are included in these committees and governing body. The college authority encourages decentralization of activities at various levels. For example NSS advisory committee and NSS programme officers look into the various extension activities and social services, admission committee manages the online admission process and other sub-committees also addresses the specific issues for addressing which they are set up.

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Admission of Students	The College affiliated to Vidyasagar University, West Bengal conducts admission of students as per rules and regulations of the Department of Higher Education, West Bengal. The application procedure for taking admission into our college as well as publication of merit list are conducted entirely in an online mode. The applicants are asked to attend a counseling session organized by our college as per their rank in the merit list. Selected candidates are allowed to admission after payment of the requisite admission fees. Selected candidates are allowed to admission after payment of the requisite admission fees. Already enrolled students, after appearing for their annual or semester examinations, take admission to subsequent year or semester by paying the admission fees through banks.
Industry Interaction / Collaboration	There has been no such interaction or collaboration with any corporate sector till date.
Human Resource Management	As students are the major stakeholders, our efforts are always directed towards their academic progress through improvement in service delivery of all sorts. We have two categories of staff - teaching and non - teaching to support their education. Although the teaching staff (consisting of fulltime teachers and librarian in substantive post, part - time teachers and guest - teachers)

are engaged mainly in the teaching and mentoring they also actively participate in administrative work like admission and other academic and extra - curricular activities. On the other hand, the non - teaching staff are engaged in official work, laboratory maintenance, gardening, cleaning and sanitization etc. Our college has a number of committees to manage co-curricular activities that are observed from time to time. Salary of full time and part - time teachers, librarian and permanent nonteaching staffs are granted by the government through the HRMS portal. Employment of the guest - teachers and guest nonteaching staffs is governed by the management and their remuneration is paid from college funds directly to their bank accounts.

Library, ICT and Physical Infrastructure / Instrumentation

Our college has a spacious well equipped and partially automated library, secured under CCTV surveillance. The library currently facilitates only online catalogue service (OPAC) which is accessible only in library premises. 962 new books have been added to the library collection. Subscription of N - LIST database has been renewed. The college office has been upgraded through the installation of a computerized accounting module. A separate space for periodicals and newspaper reading section has been set up in the library.

Research and Development

Silda Chandrasekhar College always inspires its teachers to carry out active research but without compromising the completion of syllabus. College sanctions required leaves to the teachers to attend seminars, to arrange required excursions and field works and to visit other research institutions and to interact with other research scholars for the betterment of overall performance of the Research work. Faculties are constantly publishing their works in indexed and peer reviewed National and International Journals.

Examination and Evaluation

The Examination and evaluation are divided into two parts - internal and external. The internal examination is of a smaller weight age and is conducted by the teachers of our college through various modes like

	<p>class tests, viva - voice, project - work etc. The external examination, on the other hand, is conducted once a year and all activities starting from allotment of examination centers, setting - up of question papers, evaluation of answer sheets to award of marks - sheets is entirely governed by Vidyasagar University. Students have to qualify in every examination of the three academic years to obtain their graduation degree.</p>
Teaching and Learning	<p>Students are considered as the future of a nation and teachers are believed to be the architects of this project. Learning is an indispensable tool that nourishes budding minds and soothes their soul. Most of the teaching learning process has been done in the classroom using blackboard/ whiteboard and chalk/pen. Some PPT slides are prepared to present more interestingly to the students using ICT or smart classrooms. In practical based classes, the respective teachers guides the students to do and on experiment. Some departments arrange field work based study tour.</p>
Curriculum Development	<p>The college is under the academic jurisdiction of the Vidyasagar university, therefore curriculum development is finalized by university. However, college teachers are members of Board of Studies in various subjects at UG level. Routine Committee prepared class routine at the beginning of the session. To complete the syllabus in time, some guest teachers are appointed by GB as per university norms.</p>

6.2.2 – Implementation of e-governance in areas of operations:

E-governance area	Details
Planning and Development	<p>The management Information system has a database of details of staff, students, financial matters and all the important information necessary, thus helping the administration identify trends and focus areas for planning for future all - rounded growth of the college Similarly, data pertaining to admissions, University regulation and results form part of the data for the academic progress of the institution. Budgeting and planning for expenditure on fixed assets is expedited at the click of the mouse. Information sought by the department of Higher education,</p>

	likewise is available in the system.
Administration	In case of college administrative functions, e-governance has significantly helped by enabling the sharing of information with minimum time and effort e.g. posting of different types of college notices and university circulars on the college website for all the stakeholders, as well as sending out urgent notifications to the higher authorities or the office staff or faculty members as and when required through e-mail. This enables smooth functioning of administration as well as proper referencing and documentation. All the developmental activities are uploaded to the website for the publicity of the college.
Finance and Accounts	All the finance and accounts related work including salary payments ar other payments and receipts are maintained through HRMS software system. Tax related procedures are executed and supervised digitally.
Student Admission and Support	A complete online mode of admission process has been introduced. Physical verification of testimonials is done after the commencement of class. Merit is the sole criterion for admission.
Examination	All information related to internal examinations by the college are shared with the students through e-notices posted in our college websites as well as in the notice board. All information starting from form fill up, examination schedule, university guidelines as well as seating arrangements in case of university exams are communicated in a flawless and timely manner to the university website. Result analysis has been published in the college website.

Maintaining the primary focuses of promotion of inclusive education, our college was involved various types of value added activity. Along with the usual celebrations such as Republic day, Independence day, Teachers day etc., different types of special celebrations viz., Constitution day, International women's day etc., had also been celebrated. Besides, our college also campaign for plastic free campus in order to maintain a plastic free campus. In this regard, a cleaning programme was organized by our NSS department on 21/12/2019 with a considerable number of participants. In order to avoid dengue, a mosquito net donation camp for the villagers was also organized in the campus. However, our country had faced the horrible lockdown due to COVID-19 pandemic that year. In this connection, various COVID-19 awareness programmes were organized throughout the year. The awareness programme campaigned through banner, poem etc. Furthermore, the awareness programme also comprised of donation of soap, sanitizer and mask to the local community. Additionally, a yoga programme was also organized for immunity boosting.
